Watch out!  
Oh girls! You know you got to  
Watch out!  
Hey, ey, ey

Playboy get away from my door  
I heard about the lovers you had before  
You took their love for a game of joy, Oh yeah  
And tossed their hearts around as if it was a toy  
Playboy

Well, Playboy find yourself some other toy  
Cause this is one heart you won't destroy  
Cause I can't stand for what you're puttin' down  
Oh yeah, You fool around with every girl in town  
Playboy

Well, You ain't saying nothing in my book  
Cause this is one fish you'll never ever hook  
You left the others standing with their hearts in pain  
And now you're coming round trying to do me the  
same

So Playboy I've seen your kind  
Winning every girl with that same old line  
So Playboy stay away from my door  
Oh yeah, I know about the lovers you had before  
Playboy

Oh, You know you got to Watch out  
Yes, You know you got to Watch out  
Oh, You got to Watch out  
You Better watch out  
You Better watch out

You ain't saying nothing in my book  
Cause this is one fish you'll never ever hook  
You left the others standing with their hearts in pain  
And now you're coming round trying to do me the  
same

So Playboy I've seen your kind

Winning every girl with that same old line  
Cause I can't stand for what you're puttin' down  
Oh yeah, You fool around with every girl in town  
Playboy

Oh you know you better Watch out  
Watch out! Watch out! Watch out  
Watch out here comes that Playboy  
Watch out here comes that Playboy
