Last night you said goodbye  
But you didn't want to go  
And I just couldn't help you baby  
But I think you ought to know

After sayin' my feelings for my lovin' man,  
He's comin' back to me  
I said that we were only friends  
And as a friend that's how it's got to be, yeah

Saving all my love,  
Savin' it for my baby, yes I am  
Saving all my love,  
Savin' it for my man  
You know I said goodbye to him when he went away  
No one to take his place  
I'm savin' all my love, Savin' it for my man

Today, You called me up  
And you asked me what is wrong  
Well I just got through tellin' you  
That we can't carry on

You say you wanna love me and show me how you feel  
But it can't be that way  
I said that we were only friends  
And as a friend that's how it's got to stay, yeah

Saving all my love,  
Savin' it for my baby, yes I am  
Saving all my love,  
Savin' it for my man  
You know I said goodbye to him when he went away  
No one to take his place  
I'm savin' all my love, Savin' it for my man  
Savin' all my love, Savin' it for my man  
Savin' all my love, Savin' it for my man  
Savin' all my love, Savin' it for my man

Ahh, ha, ha

Savin' all my love,

Savin' it for my baby, yes I am  
Savin' all my love,  
Savin' it for my man

Savin' all my love,  
Savin' it for my baby, Savin' all my love  
Savin' all my love,  
Savin' it for my man

Savin' all my love,  
Savin' it for my baby, yes I am  
Savin' all my love,  
Savin' it for my man
