Take me in your arms,
Rock me, rock me a little while
Take me in your arms, rock me,
Rock me a little while

I know you're leavin' me behind
Im seein you darlin' for the very last time
Show a little tenderness before you go
Please let me feel your embrace once more

Take me in your arms,
Rock me, rock me a little while
Take me in your arms,
Rock me, rock me a little while

We all must feel heartache sometimes
Right now, right now, darlin' I'm feelin mine
I've tried my best to be strong, but I'm not able
I'm like a helpless child left in a cradle
Let me know just before I leave
Just once more darlin' before you leave

Take me in your arms,
Rock me, rock me a little while
Take me in your arms,
Rock me, rock me a little while

I'm losin' you and my happiness
My life is so dark I must confess
I'll never, never see your smiling face no more
I'll never, never hear your knock upon my door
Before you leave me, leave me behind
Let me feel happy just one more time

Take me in your arms,
Rock me, rock me a little while
Take me in your arms,
Rock me, rock me a little while

I said it once, baby
I said it once, please
Here I am, baby

I'm beggin' you, please
baby, baby
