I told you not to mess with me
Iâ€™m not like any other girl
But now itâ€™s obvious you never
Heard a word I said
Knew that I was stupid thinking
I could make it better for me
Trusting you with every detail
Of my life

Then I saw your eyes...
Canâ€™t stand your lies anymore
You betrayed my trust
Now, thereâ€™s no goodbyeâ€™s or no tomorrow...

This canâ€™t be right
Itâ€™s just not me
I used to think that
I was strong enough
To carry on...

You know that every time we meet
Itâ€™s hard for me to turn the other way
Or even stop to say the things I need
To tell you

Time and time again you pull me back
Into your arms but never
Once give me a chance to see
Whatâ€™s really going on...

I saw your eyes...
Now thereâ€™s no goodbyeâ€™s or no tomorrow...

This canâ€™t be right
Itâ€™s just not me
I used to think that
I was strong enough
To carry on...

So, here is were it went wrong
I stopped being myself for you
I tried so hard to move on

I stopped being myself for you
- Thought you'd be there!

This can't be right
It's just not me
I used to think that
I was strong enough
To carry on
