Verse 1:

You already kno wanna tridak  
See how i bounce and i come right bidak  
Now it's time to get at  
Couple o' dem chicks with the uh uh ohs  
Everybody happy every don blow  
Everybody rock what everybody don roll  
Wanna see u drop  
Move ur waistline slow  
Swag off the richter  
Love how i paint the most beautiful pictures  
See the flow's like a stick-up  
Beat's like a shotgun hands gotta lift up  
Watch me go in  
The flow's been strong it's Hulk Hogan  
And if u dont know then  
I am a boss, yea that's my slogan  
If all the tunes headed to a fast def  
Ama take this track and squeeze out this last breath  
Like give it to me baby  
See how i bring it right back for the ladies  
Cuz they be goin crazy  
For the flow's smothered in gravy

Chorus:

I'm goin in  
I'm goin in  
I'm goin in and i might not come out

I'm goin in  
I'm goin in  
I'm goin in and i might not come out  
You see me, you see me

Believe me, its too easy

I'm goin in  
I'm goin in  
I'm goin in and i might not come out

Verse 2:

When u first come in the game they try clown u  
Write a couple o' hits look how they surround u  
It's so funny what sound do  
Voice get em wet so the song gon drown u  
Get loose on em  
I'm in the booth tryna cook up a coop on em  
I go hard, u can put ur gucci boots on em  
They can't see me, I'm like poof on em  
(Baby) I turn the mic into vapours  
Y'all act fly like a flight simulator  
I'm so sharp like a laser  
I see ur girl fallin man u might wanna save her  
Cuz all it takes is a song  
Turn it up strong  
Yes i get it on  
Entering my zone  
Two one fidak yes that's my hizzle

Chorus X1

Verse 3:

I'm goin in like a doctor  
Peep the posture  
Fly as a plane  
High as a chopper  
And every verse is enormous  
Hook so big aint no way to ignore this  
I just keep writin more hits  
Ama ball hard, yea u know how Shawn gets  
I dont pass the rock  
See the bus so big ama have to park  
And the boys so sick they gon have to watch  
I'm sayin hi to the astronauts  
(So fly) I'm sayin hi to the astronauts

Chorus X1

Turn it up strong, yes i get it on  
I'm comin..
