Intro:

The Vision is clear  
Dreams sometimes fade  
Yet the most precious thing to ask is always there  
You have more than anything, anything you can want

Hook:

You cannot be my purpose  
You cannot do this for me  
I've got to hold my own now  
Got to be all I can be  
The Master of my vision  
I am on higher ground now  
You cannot hold me back  
You cannot keep me down

Verse:

Alone top of the world  
Facing fears alone  
Given wings to fly  
To make it on my own  
Heart aches for clarity  
Secrets deep inside  
Refuse to fade away  
No longer paralyzed

Hook

Verse:

Standing as though I'm strong  
Crying for relief  
Praying for forgiveness  
Taking passion's leap  
Was walking in a haze  
Now I'm walking in truth  
I'm stronger everyday  
No more control from you

Hook 2x

Bridge:

And now I see my purpose

I know what dreams are made of  
Clipped wings took flight to soar high  
Above the mysteries and lies  
Unburdened by the truth  
No longer losing ground  
World challenged with no clue  
They cannot stop me now.

Break

Hook repeat fade out
