I didn't plan the night in question  
Nor settle to break your heart  
I wouldn't take no for an answer  
You left my feelin' so torn apart.  
Ohh ohh ohh  
And now I kiss the ground you walk on  
But I don't want to tread in your toes  
I still don't know what I did wrong  
I sit at home, God only knows.  
We can never be together  
But I'll remember that night forever  
Ooh ohh ohh oh oh oh  
Ooh ohh ohh oh oh oh.  
Maybe I should take some time out  
Give my head some place to think  
Hear what he said  
It just don't feel right  
I've thrown it all, down the kitchen sink  
We can never be together  
But I'll remember that night forever  
And now I sit at home sad and alone  
My eyes trance fixed upon the telephone  
Waiting for your call but it never comes  
Ooh ooh  
Ooh ohh ohh oh oh oh  
Ooh ohh ohh oh oh oh.  
If I'd had known, it would be so hard  
We could have gone our separate ways  
You held me tight, we watched (?)  
How wish you were still here today.  
We can never be together,  
But I'll remember that night forever.  
Girl I'll remember that night forever.
