I don't believe we've met before
But then again, I guess I can't be so sure
'Cause maybe I passed you by
A hundred times today

If ever you might think of me
Know that I've been thinking right much of thee
And maybe I'm not in your eyes
But one day I, I will come

I count the stars alone each night
And wonder where you're sleeping at this very time
I stroll the streets in daydreams of where our love
might lead

And every February I will think of you
And practice writing valentines
'Cause maybe I'm not in your eyes
But one day I, I will come

Chorus:

See what's the hurry? What's the point of being hasty?
Why waken love before it's time?
Why would I give my heart away to strangers?
Instead I'll just wait till you're mine

Bridge:

I will come like a knight in Arthur's day
I will sweep your heart away
And I'll mean it when I say
You're my one and only
And together we will fly
Sometimes through the blackest nights
Holding on tight for now and forever after

If ever you might think of me
Know that I've been thinking right much of thee

And maybe I'm not in your eyes
But one day I, I will come
