I've Got That Feelin'

Â©2005 Greg Sczebel/Soultone Publishing (SOCAN)

Intro:

Oh just to know that I'm not alone
Oh just to know that you're never gone
I'll be holding you close till the break of dawn
I'll be holdin', I'll be holdin' on

Vs1

Well I'll admit it
I was taken by surprise
See I was busy
Building castles in the sky
When they all came tumbling down
Without a warning
And though it seems like nothing is sound
I've got nothing to fear
Because I know you're here

CHORUS:

I've got that feelin'
You've got a reason
And it keeps me believin'
It's gonna be just fine

It's not uncommon
It can happen any time
When life is good
Then it turns on a dime
But I know I've still got a hope
'Cause you'll be holding me
Yes indeed
And though I feel I'm at the end of my rope
I'm not letting go
Because I knowâ€¦

CHORUS

BRIDGE:

In the middle of the day

In the middle of the night
Just keep holding on
It's gonna be alright
In the middle of the day
In the middle of the night
You gotta just keep holding on

Chorus
