The night has dawned
And I'm ready for another day
My fears all gone
Since you took them all away
I can sleep tonight
Knowing it's alright
'Cause your love is strong
And it holds me tight

CHORUS:

Ooh, 'tis so sweet
Knowing I can trust
You'll never leave me
Ooh, my, my
How many days gone by
I could have had
This Peace

See, all my life
I've been trying to find the key
To happiness
But nothing could ever meet my needs
I was so undone
'Till you came to me
But now I know that we
Were always meant to be

CHORUS

BRIDGE:

I can sleep tonight
'Cause I know it's gonna be alright
'Cause your love is strong
And it holds me tight

CHORUS
