She is the rarest diamond  
She is the fairest of many  
She's given every reason  
For you to call on the wedding  
But no, that's not your style  
'Cause all the while you've been  
Running wild  
And she heard it through the grapevine

I don't know how you do it  
Maybe your tears win her over  
A half a dozen roses  
And she believes what you told her  
But don't be fooled for long  
'Cause she'll be gone and for good reason  
Oh man what were you thinking?

CHORUS:

Why don't you stop  
She's only got one heart  
So before you break it  
Stop and think about it hard  
Should you really take this chance on losing it all  
When it's all you really want  
Why don't you stop  
She's only got one heart

He is a valiant white knight  
Among a legion of losers  
And for your honor he fights  
For him you find many uses  
But when those other boys come around  
He knows where you're found  
And he'll be waiting there on standby  
Until you come again  
Why don't you

CHORUS:

Stop, he's only got one heart  
So before you break it  
Stop and think about it hard  
Should you really take this chance on losing it all  
When it's all you really want  
Why don't you stop,  
He's only got one heart
