Four in the morning
Came without a warning
Everybody's got a place to be
I got holes in my conscience
Shot with a vengeance
I must have been a fool not to see

I need you bad
It's hard to live without your company
I need you bad
So bad I can't take it you see

Oh, I can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving you

There was a time when I knew you
I held my body to you
Made you feel like you never felt before
And now it's all in the distance
Still you keep resisting
I love you like never before

Oh, I need you bad
It's hard to live without your tender touch
I need you bad
So bad I guess you're playing me touch

Oh, I can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving you
I guess I was going in the wrong direction
I guess I was thrown for a while
I need to see you smile
I need you so, yeah

I must have been going in the wrong direction
I guess I was thrown for a while

I need you bad
It's hard to live without your company
I need you bad
So bad I can't take it you see

I need you bad
It's hard to live without your tender touch
I need you bad
So bad I want to tell you so much

Oh, I can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving you

I can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving you

I can't take anymore
I can't fake anymore
It's such a hard time loving you
I can't take anymore
I can't fake anymore
It's such a hard time loving you
