Hearts away, I cast my heart  
To some romantic yesterday  
When I was young and on my own  
And you were blind to everyone but me

Now today, I throw my heart to some  
Forgotten memory, when you were  
What was meant for me, a stranger  
With a place to always be

Hearts away  
Hearts away  
Hearts away

Cast away, I cast my heart away each  
Time I think I see  
Your face come down a crowded avenue  
How come it's never really you

And today, I cry myself to sleep each night  
I only wish, I'd wake to see you lying next to me  
I know I'm sure it's killing me

Hearts away  
Hearts away  
Hearts away

Oh I wanna know  
All the times I held you near me  
Did you think I'd ever let you go now  
And the time I had you with me

Did you feel so sorry for the lonely ones  
Are we the only ones  
Hearts away

Now today I throw my heart  
To some forgotten memory  
When you were what was meant for me  
A stranger with a place to always be

Hearts away

Hearts away  
Hearts away  
Hearts away
