I used to be on a one-way ride
I played it all so rough like a molitov

Something's happening to me I don't know why
You got me spinning off the edges of my mind

I still recall when I first met you
Yeah, you shook me out did you want me too?

Now I'm living off the pictures on my wall
They're black and white or Kodak color, I don't know

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(Shootin' me down, yeah, yeah)

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(I'm going down, down, down, yeah)

I need to be all alone with you
Yeah, I'll do the things that you want me to

There's a thousand numbers I could surely call
But your's the one that's got me spinning off my
bedroom walls

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(Shootin' me down, yeah, yeah)

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(I'm going down, down, down, going down)

Love shot me down
Love shot me down

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(Shoot, shootin' me down, yeah, yeah)

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(I'm going down)

Oh, whoa, love's shot me down
(Love has shot me down)
Oh, no
(No, no)
