Traffic  
Six AM  
New York time  
A little late  
Lose your job  
Frame of mind

I don't know  
What's the score  
10 to 9  
Take a swing  
Tie it up  
Miller time

Up all night  
Take a run to the other side  
It's all right  
Don't you trip on your open mind

New York Time  
Gotta get away from the New York Crime rave  
New York Time  
Got no reason to stay  
New York Time  
Gotta get away Gotta get away yea

Freak Show  
Disco  
Limousines  
Crime rave  
Not so  
Fast with me

Out all night  
On a run to the other side  
It's alright  
Don't you trip on your open mind

New York Time  
Gotta get away from the New York Crime rave  
New York Time  
Got no reason to stay

New York Time  
Gotta get away Gotta get away yea

Someone's singing "Swing Low"  
Waering a halo  
In another time  
Today is going to be the day  
I rise above it all  
Here I go  
The sun is gonna shine

New York Time  
Gotta get away from the New York Crime rave  
New York Time  
Got no reason to stay  
New York Time  
Gotta get away Gotta get away yea  
New York Time (x3)
