In the cool city
In the heat of the night
Looking for adventure
On the face of the light
A Colorado school boy
Put his days on the line
Nights out of paperback
"Catcher In The Rye"
Night ranger
Where you gonna run to now
Night ranger (ranger)
He met her at a rock show
Skin tight jeans
Heavy metal leather
Hanging from her seams
He took her to a late night
She put her heart on the line
Left her standing in the doorway
Singing "Thanks for the good time"
Night ranger
Where you gonna run to now
Night ranger (ranger)
Night ranger
Where you gonna run to now
Night ranger (ranger)
I can hear you calling calling
I can hear you calling
Night ranger
I can see you falling falling
I can see you falling
Night ranger
Where you gonna run to now
Night ranger
In the hot city
On a cool summer night
Four letter words
Make it alright
A Colorado school boy
Put it all on the line
Under the street lights
Having a good time...
Night ranger...

Night ranger...
Night ranger...
Night ranger...
I can hear you calling calling
I can hear you calling
Night ranger
I can see you falling falling
I can see you falling
Night ranger
Where you gonna run to now
Night ranger
