Caught in the act of doubting
So hard to look away
I don't know if it's fear or faith
That makes me stay

So maybe I've decided
Sometimes enough is enough
I'm just a man at the end of the day
In love

So what if I
Can't walk on water
So what if I'm not
King of the hill
Right now I can't
But what does it matter
Love me and someday I will

Some call it human error
Watching a dream fall through
Well maybe it's time
That I turn my trust to you

So what if I
Can't walk on water
So what if I'm not
King of the hill
Right now I can't
But what does it matter
Love me and someday I will

You say you'll never know
(Ah never know)
I say that time will show
(Ah time will show)
So maybe I'll just let go
(Maybe I'll just let go)
Maybe I'll just let go

So what if I
Can't walk on water
So what if I'm not

King of the hill
Right now I can't
But what does it matter
Love me and someday I will

So what if I
Can't walk on water
So what if I'm not
King of the hill
Right now I can't
But what does it matter
Love me and someday I will

Someday I will
