Kid out of touch  
Laying down with a dream  
On a runaway night  
Got a feel for the scene

A girl with lots of tricks  
Like to lay them on me  
I'd forgotten what it's like  
To be seventeen

Well, I say fast  
She say slow  
And so the story goes  
She say stop  
And I say go, and go, and go, and wow

This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight

This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight  
I need to rock

Up real late  
Trading money for kicks  
She got all of the moves  
I got all of the licks

She can tear at my heart  
I'm always begging for more  
She can cut me real deep  
She can take me real far

Well, I say fast  
She say slow  
And so the story goes  
She say stop  
And I say go, and go, and go, and wow

This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight

This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock

Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight

This boy needs to rock  
Tonight, tonight, tonight  
This boy needs to rock  
Tonight, tonight, tonight  
We're gonna rock
