Little sister by the record machine
I'm tired of dancin', said she's sweet 16
She's goin' out she's gonna party tonight
She's gonna shake and make it last all night

Little brother got a drivin' machine
Fast drive, it's such a clean machine
Their goin' out their gonna put out the lights
Their gonna rock it, rock it, rock it

You can still rock in America
Oh yeah, so right
You can still rock in America
Oh yeah, all night
You can still rock in America

Little sister makes a move for the door
Though it squeaks she's on the second floor
Her daddy winks, is everything okay
Not a sound and she makes a get away

Little brother has got it ready to roll
Tires burnin' as she heads for the show
Knock it off until the music gone loud
And rock it, rock it, rock it

You can still rock in America
Oh yeah, so right
You can still rock in America
Oh yeah, all night
You can still rock in America
Yeah, yeah, yeah

Rock in America, rock in America
You can still rock in America
Rock in America, rock in America
Yeah, you can still rock in America

You can still rock in America
Oh yeah, so right
You can still rock in America
Oh yeah, all night

You can still rock in America

You can still rock in America
Why you can still rock in America
Yeah, yeah, yeah
