Off with there heads

1 2 3

Breaking all silence  
Screaming my heart out  
Wish you were hear to see my up rise  
Standing with my head high  
Try to bring me down  
I don't fall easy just wait and you'll see

I am stronger now than ever before  
What doesn't kill you makes you stronger  
I am stronger now than ever before  
What doesn't kill you makes you stronger

Breaking all silence  
Screaming my heart out  
Wish you were hear to see my up rise  
Standing with my head high  
Try to bring me down  
I don't fall easy just wait and you'll see

I am stronger now than ever before  
What doesn't kill you makes you stronger  
I am stronger now than ever before  
What doesn't kill you makes you stronger

The silence of the day  
The calming of the night  
Helps to ease the pain  
That's flowing through my veins  
The silence of the day  
The calming of the night  
Helps to ease the pain  
That's flowing through my veins

I won't go down  
Without a fight  
I refuse to be brought down by you  
I won't go down

Without a fight!
