Why won't you do it with me  
I wanna do it with you  
You are my bad boy  
My little pile of joy  
When I saw you I knew you were the one  
The way you looked at me when it only just begun  
I wish I would've known then what I know now  
It wouldn't last too long but it never does, does it?  
Cause I'm too young to be in love  
I'm too young to be in love  
So please oh please  
Don't break my heart  
I wanna go I wanna go back to the start

I wanna cry I wanna cry on your shoulder  
I wanna be I wanna be your toy soldier  
I should've listened to my mom  
I knew I shouldn't have taken you to that prom  
And now that it's all come to an end  
Nothing can mend my teenage heart again  
Nothing can mend my teenage heart again  
Nothing can mend my teenage heart again  
Nothing can mend my teenage heart again  
I'm too young to be in love  
I'm too young to be in love  
I'm too young to be in love  
I'm too young to be in love  
Too young to be in love
