Prepare the cannon balls, disarm the shopping malls.  
Take cover, it's an earthquake.  
Your brain's gonna rattle, your soul's about to shake.  
Give me one damn good reason  
Why I shouldn't step up and take my turn.  
I've been protecting my heart from the spark  
And trying in vain to make the fire burn.  
I'm pouring gasoline, striking matches  
and tossing them all around.  
Let me tell you, just above the sirens  
Then you're gonna hear another sound...

I'm gonna start something tonight  
And there ain't no way i'm gonna lose this fight.  
I'm not afraid of a little gunpowder,  
I'll find the rhythm and i'll sing it even louder.  
Got a lethal weapon of choice,  
Got a hungry soul and an angry voice.  
In a world where nobody makes it out alive  
This is my war cry.

I'm gonna go down to the tunnels  
And dig my way into a fiery core.  
I've been roaming around the good side of town  
Just looking for something more.

But good advice for someone else  
Never worked for me.  
I'm a walk on the wild side,  
The lock that didn't fit your key.

I'm gonna start something tonight  
And there ain't no way i'm gonna lose this fight.  
I'm not afraid of a little gunpowder,  
I'll find the rhythm and i'll sing it even louder.  
Got a lethal weapon of choice,  
Got a hungry soul and an angry voice.  
In a world where nobody makes it out alive  
This is my war cry.

In the morning i'll wash myself clean of your disgrace.  
In the calm before the storm i'll wipe paint on my face

I'm gonna start something tonight  
And there ain't no way i'm gonna lose this fight.  
I'm not afraid of a little gunpowder,  
I'll find the rhythm and i'll sing it even louder.  
Got a lethal weapon of choice,  
Got a hungry soul and an angry voice.  
In a world where nobody makes it out alive  
This is my war cry.
