I know we can make it if only we stay the course
The ship will take us there and carry us through the
storm

But the waters turn us away (ah ah ah ah ah ah)
Oh the waters turn us away from the shore (ah ah ah ah
hmmmm)

How can we go where so few have gone before?
How can we go where so few have gone before?

CHORUSX2
We can never know
â€˜till we try ohhh
to hold on ohhh
through the winds of change

Crash against the hurricane
Crash against the hurricane

I will not falter
And I will not abandon hope
I will find the answer
And I will sanctify my soul

â€™ll be your journey
If youâ€™ll be my desination
â€™ll be your temple
If youâ€™ll give me resurrection

On the horizon the sun is arising
The clouds give way to the newborn day
On the horizon the new sun is shining
Weâ€™ve finally found our way

CHORUS OUT repeat
