Baby youâ€™ve been here and you should know  
A broken heart takes the long way home  
And itâ€™s hard to know that you know youâ€™re  
gonna be alright  
Your head hangs low â€™cause you know itâ€™s gonna  
take some time

Oooo oooo oooo  
Youâ€™re gonna make it through  
Yeah Yeah Yeah  
Itâ€™s gonna be alright

You change your clothes and put on a new smile  
(smile)  
Gonna show the whole world that girls donâ€™t cry  
(cry)  
And itâ€™s only round one and itâ€™s gonna be a  
helluva fight  
And you know you ainâ€™t done â€™cause thereâ€™s  
a fire building up inside

### **\*CHORUS\***

Now that your heart is on fire (Youâ€™re gonna live  
again)  
Now that your soul reaches higher (Youâ€™re gonna  
live again)  
Now that youâ€™re back on your cloud (Youâ€™re  
gonna live again)  
Knowing youâ€™ll never come down

You shake your love to it looks brand new  
You shake your love â€™till it shines like you  
You took your sweet love and you held it way up high  
You make your sweet love light up the big blue sky

Oooo ooo ooo  
Youâ€™re gonna make it through  
Yeah yeah yeah

Youâ€™re gonna see (Light Light)â€¦ (Light Light)  
Youâ€™re gonna see the (Light Light, Light Light)  
Youâ€™re gonna see

Youâ€™re gonna see the light!

SOLO

\*Chorus-Out\*
