It's just a distraction another reaction
To all the things you put me through
You say that you need me
But manage discreetly to slowly push me away from
you

PRE-CHORUS

And ooo
I should've known that you
Would let me go

CHORUS

I waited in line to be the one
Be the one
But I wasted my time
Cause I'm alone, I'm alone
If I could turn back the time
I would take back my life from you

You say that you're sorry
That you never gave me all the touch that you took
from me
But I had to watch you give yourself too
All the ones that came after me

CHORUS

-Break-

It's not a surrender to say that I loved you even
though that we could never be
The way that we started 'cause now we've
departed
From the comfort of the memories

PRE-CHORUS

CHORUS
