Nothing's working, nothing's working  
Nothing's working, nothing's working  
Do you feel alright?  
You shouldn't  
Nothing's working, nothing's working  
Nothing's working, nothing's working  
Nothing's working, nothing's working  
Do you feel alright?  
You shouldn't  
Nothing's working, nothing's working

You're getting older  
You're getting older  
You're getting older  
Now

You're getting older  
You're getting older  
You're getting older  
Now

I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through

Nothing's working, nothing's working  
Nothing's working, nothing's working  
Do you feel alright?  
You shouldn't  
Nothing's working, nothing's working  
Nothing's working, nothing's working  
Nothing's working, nothing's working  
Do you feel alright?  
You shouldn't  
Nothing's working, nothing's working

You're getting older

You're getting older  
You're getting older  
Now

You're getting older  
You're getting older  
You're getting older  
Now

I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through

I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through  
I am understanding but I can't believe what you've  
been through
