I wonder if it hurts to be born in this  
And to know what it's like to be me and you  
I wouldn't think that anyone would want to  
Not even something that turns nothing for you

It is all good  
Start something new  
They want you  
It is all good  
Start something new  
They want you

This ending knew more about radio  
This ending knew more about you  
This ending knew more about radio  
This ending knew more about you  
This ending knew more about radio  
This ending knew more about you  
This ending knew more about radio  
This ending knew more about you

And to know what it's like to be me and you  
I wouldn't think that anyone would want to  
But even something that turns nothing for you

They want you  
It is all good  
Start something new  
They want you
