Sometimes
I'll be out of answers when you can hear
Sometimes
I'll be out of answers when you see him
Sometimes
I'll be something colorful and you can see
Sometimes
I'll be something colorful and you will see
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
Sometimes
I'll be out of answers when you can hear
Sometimes
I'll be out of answers when you see him
Sometimes
I'll be something colorful and you can see
Sometimes
I'll be something colorful and you will see
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
I don't care why
I don't care why you are opening
You're opening for me
You're opening for me
You're opening for me
You're opening for me
You're opening for me
And you and I
And you and I
Sometimes
I'll be out of answers when you can hear

Sometimes
I'll be out of answers when you see him
Sometimes
I'll be something colorful and you can see
Sometimes
I'll be something colorful and you will see
