I've been..

Oh I've been waiting definitely  
And my heart is here right next to me  
And I'm caught waiting in the rain  
x2

and I know and it \*...wtf ?\*  
and I oh-oh-oh-I-I, oh-oh-oh-I-I-I-I

Hey hey you wanna play  
but baby I can go go  
And every other day you're running over flow  
but baby I'd implore you if I didn't know you  
but I'm paying for it  
x2

ooh ha huh ha huh ah huh ah huh

Baby I'd implore you, if I didn't know you  
but I'm paying for it

I hold on  
and I don't care what you say  
but the way it goes it's happening everyday  
I can't see straight \*...?\*

I hold on  
and I don't care what you say  
cause the way it goes it's happening everyday

Everyday x 5  
day  
d-day d-day  
Everyday  
d-day d-day  
Everyday  
d-day d-day

Hey hey you wanna play but baby I can go go  
and every other day you're running over flow-flow  
baby I'd implore you if I didn't know you but I'm paying

for it  
x2
