I've been.

Oh I've been waiting definitely
And my heart is here
right next to me
And I'm caught waiting in the rain
and I know and it *...wtf?*
and I oh-oh-oh-I-I, oh-oh-oh-I-I-I

Hey hey you wanna play
but baby I can go go
And every other day
you're running over flow
but baby I'd implore you
if I didn't know you
but I'm paying for it
x2

ooh ha huh ha huh ah huh ah huh

Baby I'd implore you,
if I didn't know you
but I'm paying for it

I hold on and I don't care
what you say but the way it goes
it's happening everyday
I can't see straight *...?*
I hold on and I don't care
what you say cause the way it goes
it's happening everyday

Everyday x 5 day d-day d-day
Everyday d-day d-day
Everyday d-day d-day

Hey hey you wanna play
but baby I can go go
and every other day
you're running over flow-flow
baby I'd implore you
if I didn't know you
but I'm paying for it
x2
