So you will take me where I
I got lost - I got lost
Do you know how to turn back time?
To tear down walls, to mute thunders
Walk on water
'Cos you'd know there is when I
I shed soft tears
Still unfurled I am confined
- Guess my crime -
And now I dig my own grave

So I'm lost in
In this prison, in my mind
- Guess my crime -
And I don't find a way out
Last resort's gone by
The bliss of your last shine
Victimless crime, as you said
Stand by your word
And kick against the odds
And now I try to find the right path

Take my fragile eyes, keep 'em safe and
Take good cover of this my darkness
Burn your happiness over my head
Take good cover over this my darkness

No, can't fly beyond this wall
So kill me one last time
Don't say that you want...
Just let it fade
No, i'll die against this wall
If you'd kiss me one last time
Did i say that I'd fall
Over your wall?

"Here I stand left behind
My eyes are open, open wide
If you need me you should try"

And 'm blind
(Can't find a way)

I'll follow the cawing crow
In the night
(Can't find a way)
I'll follow the cawing crow
Say goodnight
(Can't find a way)
The blame, the glitch is you

Undertake me

No, can't fly beyond this wall
So kill me one last time
Don't say that you want...
Just let it fade
No, i'll die against this wall
If you'd kiss me one last time
Did i say that I'd fall
Over your wall?
