A restless drive  
on desert roads  
Avoiding the perils of stormy seas  
I came to you  
A Saturday  
That freezing December that numbed the hearts

White Venice  
YouÃƒfÂçâ, ÑÂ™ Il waste away in there  
White Venice  
YouÃƒfÂçâ, ÑÂ™ Il waste away in there

And you were there  
Shape divine  
Black hair on black eyes that sparkled dark  
With a dreamy air  
I followed you  
To places of silence that burned the hearts

White Venice  
YouÃƒfÂçâ, ÑÂ™ Il waste away in there  
White Venice  
YouÃƒfÂçâ, ÑÂ™ Il waste away in there

ItÃƒfÂçâ, ÑÂ™ s just like the winter on my skin, cold  
deep inside  
So, IÃƒfÂçâ, ÑÂ™ m just going to wait it out, until you say  
a fine word to throw it all away, breaking me free  
From this icy thorny spiral

The blur -  
It became so clear in my soul  
Slow is the climb over walls  
Walls made of tears and adieus  
The loss -  
It became so clear in my soul  
I crack a smile at this joke  
Because this life, because this life makes no sense  
Godspeed

And when the light fades, lead me astray  
Or ghosts will come to me

I need to sail away  
on seas of disarray

Was I so wrong  
when I said  
that goodbyes sound better when one is deaf  
And all I asked  
To the queen  
Was to remember, remember me

White Venice  
YouÃfÃçâ, ÑÂ™ ll waste away in there  
White Venice  
YouÃfÃçâ, ÑÂ™ ll waste away in there

ItÃfÃçâ, ÑÂ™ s just like the winter on my skin, cold  
deep inside  
So, IÃfÃçâ, ÑÂ™ m just going to wait it out, until you say  
a fine word to throw it all away, breaking me free  
From this icy thorny spiral

The blur -  
It became so clear in my soul  
Slow is the climb over walls  
Walls made of tears and adieus  
The loss -  
It became so clear in my soul  
I crack a smile at this joke  
Because this life, because this life makes no sense
