Uh, I got a cavity, I ate some bad candy  
I need to go to the dentist, as soon as possible  
Syd the Kid, Hodgy Beats

If love is so sure, why am I unsure?  
And If love is so pure, why are we unpure?  
You went and disappeared so what did you come for?  
Sweepin' up my broken heart, love is some chore  
I fight for my rights like a Michael Moore  
Gleemin' watch on your wrist, I bought from Michael  
Kor  
We in the ring, 1 on 1, I can't fight no more  
A disguise is on a oust until it hits your core  
My house ain't a home, so we split the door  
With my feet to the ceiling, hands on the floor  
Upside down, downside up harassin' me  
Close the vessels door cause it reach full capacity  
Love cavity, is what it seems to be, actually  
She passin' me up, while I'm in a stand still  
I was full of myself until the cans spill  
I was full of myself until the cans spill

Fuck you bitch, you stupid ass slut  
You skill slik little... ha ha  
Yousa bitch  
I fucking hate you, I hope you die  
And after I kill you, I hope you die  
And after I fucking kill you, I hope you die  
BITCH, I hope you fucking die, ah!

Fuck you and what you're goin through  
I don't care about who you call, and what he goin' do  
You can't fuck me up more, I've been in this shit hole  
My pride never gets low, like aimin' a pistol  
Fuck you bitch, in every single kind of way  
The next we fuckin' ho, I'm goin out the condom way  
Anaconda, I forgot bout what I was tryna to say  
You sexy but you turn me off, like I'm kinda gay!  
Fuck a female, a bitch is a relationship  
Years is a waste of my time, cause I hate this bitch  
You always wanna push me to my limits

I see you on that outs bitch, cause I don't wanna be in it  
I'm finish, and I swear I would never come back  
I don't chase love, bitch I run laps!  
This isn't a race to see who marries you  
Cause what we had is gonna be fuckin' gone in burials

Bad candy!
