Yeah

I do something
These no snee when I step in the club
All VIP so I ain't gotta...
I see mamy shaking it up taking the...
She name she was hot
She can see ti in the struck
I ain't see it in the round
But tryin seeing you...
Plus I feel lucky and been cool out
... skirt oh why you style
She draw with the... then to the next chicks
Been on a less... see the type when I... smell breaks
Walking up on me... my next mix
Listen up the girl like...
I put you... come hard taking you... stay on
... teams in the back...
Even if you let me I wouldn't stand...

Pop pop pop pop pop pop
Pop pop pop pop pop pop
Drop drop drop drop drop drop
Drop drop drop drop drop drop

It's our future in the shit
It's our future in the shit
Girl... ladies... the party
Oh yeah oh yeah
Try to... get it started

I keep you falling... the shit
Yeah baby I see you shake your hips

I'm tryin to get the great... she could... the grip
... the grand daddy pup so we can twist
I'm tryin get right tonight it's right
... feel in the zone feel like the...
It's... lady not might... I'm just hide your beats
One if the high lights
But if you wanna to get it in my life

You gotta G far and Ivie the high life
Whether you're in the hoodie
And you're one the boogie
And you on the nigga... goodie
It's make the... life woodies
I'm feelin this cookie in my hand...
It came to party can't... jerk in
Everybody in the club dance through...
Pop pop pop pop pop pop
Pop pop pop pop pop pop
Drop drop drop drop drop drop
Drop drop drop drop drop drop

Stop pitching in the shit
Stop pitching in the shit
Ladies... to party
Girl let's get it started
Girl look that ass

Pop pop pop pop pop pop
Pop pop pop pop pop pop
Drop drop drop drop drop drop
Drop drop drop drop drop drop
