Oh listen to the train  
Comin' down the line  
Tryin' to make up all of her lost time  
From Buffalo to Washington

I'm gonna wash my jumper  
Starch my overalls  
Catch a train they call a cannonball  
From Buffalo to Washington

My baby left me  
He even took my shoes  
Enough to give a gal the shotgun worried blues  
He's a gun  
Just solid gone

I'm goin' up north  
I'm goin' up this far  
If love don't change I won't be back at all  
My honey babe  
My brown-eyed bear

Oh listen to the train comin' down the track  
Carry me away but it ain't gonna carry me back  
My honey babe  
I'm leavin' you
