I'm starving for something and it ain't you  
touch  
Baby baby baby too hungry to ugh  
I'm starving for something and it ain't you  
touch  
Baby baby baby too hungry to ugh

I got the traction I'm not in the mood  
Baby baby baby just give me some food  
Get off of me get to the stove  
Hurry hurry hurry my blood sugar's low

I'm starving for something and it ain't your  
touch  
Baby baby baby too hungry to ugh  
I'm starving for something and it ain't your  
touch  
Baby baby baby too hungry to ugh

You come home wantin' love makin'  
I'm hopin' you'll bring home the bacon  
All you want is a way to unwind  
Let me tell you what's on my mind

Fatty needs a fix  
Fatty needs a fix  
Fatty needs a fix fatty fatty fatty  
Fatty needs a fix  
Fatty needs a fix  
Fatty needs a fix fatty fatty fatty  
Fatty needs a fix  
Fatty needs a fix  
Fatty needs a fix fatty fatty fatty ohhhhhhhh

I can't do soup I can't do salad  
Give me something hearty to fill up my palate  
All you want is to give me some lovin'  
But I don't want that kind of bun in the oven

I'm starving for something and it ain't your  
touch

Baby baby baby too hungry to ugh  
I'm starving for something and it ain't your  
touch  
Baby baby baby too hungry to ugh  
I'm starving for something and it ain't your  
touch  
Baby baby baby too hungry to ugh  
I'm starving for something and it ain't your  
touch  
Baby baby baby too hungry to ugh
