"Wild One"

I maybe a little darlin' gal of yours
Cause when I'm straight and sober
Rebel feet are on the floor
But sometimes when the blues wraps a hole of me
I get the devil in my eyes and I'm runnin' wild and
free

But if you don't want a wild one
Quit hangin' round with me
Knew right from the start that's my personality
If you can't handle crazy
Go ahead and leave
If you don't want a wild one quit hangin' round with
me

I may be the sweetheart you dreamed of all your life
Just cause I'm sweet doesn't mean I'm always nice
I'm tired of you telling me honey please slow down
I knew just what I want so don't order me around

But if you don't want a wild one
Quit hangin' round with me
Knew right from the start that's my personality
If you can't handle crazy
Go ahead and leave
If you don't want a wild one quit hangin' round with
me

I may be a fool to act the way I do
Even though I'm crazy I'm still a fool for you
So grab my hand let's go dance
Baby you gotta see
That letting loose ain't that hard
So come get wild with me

But if you don't want a wild one
Quit hangin' round with me
Knew right from the start that's my personality
If you can't handle crazy
Go ahead and leave
If you don't want a wild one quit hangin' round with

me

If you don't want a wild one quit hangin' round with
me

You know right from the start that's my personality

If you can't handle crazy

Go ahead and leave

And if you don't want a wild one quit hangin' round
with me
