"Dream Till The Morning"

Goodnight, sleep tight, mama will hold you
Close those tired eyes, I am still near you
Good night, sleep tight, count to one hundred
One day you'll find to lose is to wonder
So good night, sweet child
Dream till the morning

Close those tired eyes, life's just a story
Goodnight, sleep tight, mama will hold you
Close those tired eyes count to one hundred

Good night, sleep tight mama will hold you
Close those tired eyes
Dream 'till the morning

Little Nancy Etticoat with her white petticoat
And a red nose
The longer she stands, the shorter she grows
Little Nancy Etticoat with a red nose
Good night, sleep tight
Mama will hold you
