I'll be home
I'll be home
When your nights are troubled
And you're all alone
When you're feeling down
And need some sympathy
And there's no one else around
To keep you company
Remember, baby
You can always count on me
I'll be home, I'll be home
I'll be home

I'll be home

I'll be home
Wherever you may wander
And wherever you may roam
You come back
And I'll be waiting here for you
'Cause there's no one else
Who'll ever love you the way I do
I'll be here
To comfort you and lead you through
I'll be home, I'll be home
I'll be home
