Weve been waiting so long,  
Weve been waiting for the sun to rise and shine  
Shining still to give us the will  
Can you hear me, the sound of my voice?  
I am here to tell you I have made my choice  
I've been listening to what's been going down  
There's just too much talk and gossip going round  
You may think that I'm a fool, but I know the answer  
Words become a tool, anyone can use them  
Take the golden rule, as the best example  
Eyes that have seen will know what I mean

The time has come to take the bull by the horns  
Weve been so downhearted, weve been so forlorn  
We get weak and we want to give in  
But we still need each other if we want to win

Hold that line, baby hold that line

Get up boys and hit em one more time  
We may be losing now but we can't stop trying  
So hold that line, baby hold that line

If you don't know what to do about a world of trouble  
You can pull it through if you need to and if  
You believe it's true, it will surely happen  
Shining still, to give us the will  
Bright as the day, to show us the way  
Somehow, someday,  
We need just one victory and were on our way  
Prayin for it all day and fightin for it all night  
Give us just one victory, it will be all right  
We may feel about to fall but we go down fighting  
You will hear the call if you only listen  
Underneath it all we are here together shining still
