Gordon Goodwin
"Surround Me"

I fell in love since the moment I saw you
It's hard to breathe when you move me like you do
I fell in love right from the start
It was truth from the first beat
Of my heart

From your hair, your smile,
Your hands your eyes
Take me by surprise every time
When they surround me

From your scent, your words,
Your intelligent mind
Take me by surprise everytime,
When they surround me

Take a hard look at me
Will you tell me my dear,
What do you see?
When I look at you
I'm amazed
When everything's falling down but I remain okay

From your hair, your smile,
Your hands your eyes
Take me by surprise every time
When they surround me

From your scent, your words,
Your intelligent mind
Take me by surprise every time,
Inevitable
When they surround me

Am I dreaming?
Is this a story?
This can't be real
This can't be real
Am I sleeping? Wake me up please

I don't want to miss the entire ending

I don't want to miss my life without you lasting
