I'm a sentimental sap that's all
What's the use of trying not to fall
I have no will, you made your kill
'Cause you took advantage of me

Ooh I'm just like an apple on a bough
And you're gonna shake me down somehow
So what's the use, you've cooked my goose
'Cause you took advantage of me

Ooh I'm so hot and bothered

That I don't know my elbow from my ear
I suffer something awful each time you go
And much worse when you're near

Here I am with all my bridges burned
Just a babe in arms where you're concerned
So lock the doors and call me yours
'Cause you took advantage of me
Yes you took advantage of me
