Staring out my window
I brush my hair
Getting dressed to meet my friends
But I don't know what to wear

Commercial shows on my T.V
About these cool designer jeans
That I put on at the mall
Change the channel and what do I see

Hannah Montana's wearing my jeans
Ashley Tisdale's wearing my jeans
KeKe Palmer's wearing my jeans
I just can't believe they wore those jeans like me

O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah oh oh woah)
She wore those jeans like me
O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah)
She wore those jeans like me
Like me, me, me, me
Like me, me, me, me
Like me
She wore those jeans like me

Staring at the mall window
My finger drew a smile
I thought about how cool I'd look if I had them on right
now
I'm anxious, excited, they're on my mind
It feels like Heelys are racing on my spine (Ooh-ieee)

I just can't wait to call these my jeans
Everyone can look at me in my jeans
I can go anywhere in my jeans
But I still can't believe they wore those jeans like me

O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah oh oh woah)
She wore those jeans like me
O.M.G (oh oh woah oh oh woah)

O.M.G (oh oh woah)
She wore those jeans like me
Like me, me, me, me
Like me, me, me, me
Like me
She wore those jeans like me

1, here comes the 2 to the 3
Not it's the T.R.I double G
Why, she's got those cool new jeans now sittin' in the
J.E.T, but she's fly

You might see me in a video or a TV show, MTV, Nick,
HBO
Jenna could be a model on a fashion show, look there
she goes

ABC 1-2-3 That girl wore her jeans like me
I bet she's mad 'cause I look fab
Ha-ha-ha-ha, jack my swag
Sticks and stones may break my bones
But mine look new and her's just look so old
So old
So old

Oh my, look at those jeans
They should be posted in a magazine
Matter-of-fact, let me get my phone
You should strike a pose
Smile for the camera, freeze
What?
Trigg bought a new blackberry?
What?
Trigg bought a new blackberry?
What?
Trigg bought a new blackberry?
Aw, just take the picture already
Sorry, I was stuck in a daydream when I bought those
jeans with my new ice creams
Then I look so good when I hit the scene
So fresh, so clean, all eyes on me
And then I turned on my T.V
And what do I see, the Black Eyed Peas and Jay Z
I just can't believe they wore their jeans like me

O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah)
She wore those jeans like me
O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah)
She wore those jeans like me

Like me, me, me, me
Like me, me, me, me
Like me
She wore those jeans like me

O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah)
She wore those jeans like me
O.M.G (oh oh woah oh oh woah)
O.M.G (oh oh woah)
She wore those jeans like me
Like me, me, me, me
Like me, me, me, me
Like me
She wore those jeans like me
Like me, like me, like me....
