Silence in the streets when everyone's asleep
Oooooooooohhhhh
Where the junkies and the hookers creep
Oooooooooohhhhh
Everybody is asleep in their bed
Oooooooooohhhhh
But I still got a crazy feeling in my head
I said in my head, I said in my head

My body hurts and my knees are shakin'
Can't you see that my mind is breakin'
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it

I don't want to do it, but I
But I can't say no
Oh no no no
I can't say nooooo

PSP did a job on me
Oooooooooohhhhh
Don't like freaks that I can't see
Oooooooooohhhhh
Living in a brick city
Oooooooooohhhhh
Fucked you up and it fucked up
And it fucked up me, And it fucked up me

My body hurts and my knees are shakin'
Can't you see that my heart is breakin'
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it

I don't want to do it, fuck
But I can't say no
Oh no no no
I can't say nooooo

I wanna mommy and you wanna daddy
Let's get together we can be so happy
Whenever I'm screwin' you I don't know why
I could never look you in the eye
Look you in the eye, Look you in the eye

My body hurts and my knees are shakin'
Can't you see that my mind is breakin'
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it
I want it, can't stand it

I don't want to do it, but I
I can't say no
Oh no no no
I can't say nooooo

No!
Can't say no
Can't say no
I can't say no
I can't say no
I can't say no
I can't say no
I can't say no
I can't say no
I can't say no
Oh no-no-no
Oh no-no-no
No no no no no no
No no no no no no
