Another night when I'm on my own
Another night when I've got no place to go
Everybody is trying to be someone
What they see in that I just don't know
So I'll go home instead
Another night in my single bed

'cause I don't want nobody to love
I don't want nobody to love
I don't want nobody to love
To love me, I don't wanna be loved by you

And I don't think I'll ever understand
What makes a woman love some man
And I don't need it anyway

Another night going down the pub
Another night and another pickup job
Gonna go to the disco club
I'm gonna try and pull some fat old slob
Who won't say nothing smart
Just lie there with her legs apart

And I don't want nobody to love
I don't want nobody to love
I don't want nobody to love
To love me, I don't wanna be loved by you

And I don't think I'll ever understand
What makes a woman love some poxy man
And I don't need it anyway

And I don't want nobody
And I don't want nobody
And I don't want nobody to love

And I don't want nobody
And I don't want nobody
And I don't want nobody to love

Nobody to love

Nobody to love
Nobody to love
Nobody to love
Nobody to love
