Be now not a whatcha were
Be you not another
Only look deep inside
Time for you to step up and fly
Be now a true believer
Be only the man in the mirror
Time for you just to realize
Time for you to step up and fly
Say what you gotta say
Why...be tomorrow today are we yesterday yesterday
Be now only what you are
Don't jump on another
This is yours don't go don't go don't go
Be now not a superman
Be only a man
Time for you not to sympathize
Time for you to step up and fly
Say what you gotta say
Why...be tomorrow today are we yesterday yesterday
Now it seems to be away
And it seems so far away
But it seems so yesterday
Be now be now no no new Messiah
This is the time this is the place this is a waste...watch
out
Why...say what you gotta say
Why...be tomorrow today are we yesterday yesterday
