I'm still alive but I'm barely breathing
Just praying to a god that I don't believe in
Cos I got time while he got freedom
Cos when a heart breaks no it don't break even

His best days was some of my worst
He finally met a girl whose gonna put him first
While I'm wide awake he's no trouble sleeping
Cos when a heart breaks no it don't break even

What am I gonna do when the best part of me
Was always you
And what am I supposed to say when I'm all chocked up
And you're ok, yeah
I'm falling to pieces
I'm falling to pieces

They say bad things happen for a reason
No wise words gonna stop the bleeding
Cos he's moved on while I'm still grieving
Cos when a heart breaks no it don't break even

What am I gonna do when the best part of me
Was always you
And what am I supposed to say when I'm all chocked up
And you're ok
I'm falling to pieces (4x)

You got his heart and my heart
And none of the pain
You took your suitcase and I took the blame
Now I'm trying to make sense of what little remains,
oohh
Cos you left me with no love and no love to my name

I'm still alive but I'm barely breathing
Just praying to a god that I don't believe in
Cos I got time while he got freedom
Cos when a heart breaks no it don't break even
No it don't break even, no

What am I gonna do when the best part of me
Was always you
And what am I supposed to say when I'm all chocked up
And you're ok
I'm falling to pieces
I'm falling to pieces, yea yeah yeah
I'm falling to pieces, oohh
I'm falling to pieces
I'm falling to pieces
