You know, I can't take one more step, towards you
Cause all that's waiting is regret
And don't you know I'm not your ghost anymore
I lost the love, I loved the most

I learned to live, half alive
And now you want me one more time

And who do you think you are?
Running round leaving scars
Collecting your jar of hearts
And tearing love apart
You're gonna catch a cold
From the eyes inside your soul
So don't come back for me
Who do you think you are?

I hear you're asking all around
If I am anywhere to be found
But I have grown too strong
To ever fall back in your arms

I learned to live, half alive
Now you want me one more time

And who do you think you are?
Running round leaving scars
Collecting your jar of hearts
Tearing love apart
You're gonna catch a cold
From the eyes inside your soul
So don't come back for me
Don't come back at all

Dear, it took so long, just to feel alright
Remember how you put back the light in my eyes
I wish, that I had missed the first time that we kissed
Cause you broke all your promises

And now you're back
You don't get to get me back

And who do you think you are?
Running round leaving scars
Collecting your jar of hearts
Tearing love apart
You're gonna catch a cold
From the eyes inside your soul
So don't come back for me
Don't come back at all

And who do you think you are?
Running round leaving scars
Collecting your jar of hearts
Tearing love apart
Your gonna catch a cold
From the eyes inside your soul
So don't come back for me
Don't come back at all
Don't come back at all

Who do you think you are?
