You were in college working part time waitin' tables
Left a small town, never looked back
I was a flight risk with a fear of fallin'
Wondering why we bother with love if it never lasts

I say "Can you believe it?
As we're lying on the couch?"
The moment I can see it.
Yes, yes, I can see it now.

Do you remember, we were sitting there by the water?
You put your arm around me for the first time.
You made a rebel of a careless man's careful
daughter.
You are the best thing that's ever been mine.

Flash forward and we're taking on the world together,
And there's a drawer of my things at your place.
You learn my secrets and you figure out why I'm
guarded,
You say we'll never make my parents' mistakes.

But we got bills to pay,
We got nothing figured out,
When it was hard to take,
Yes, yes, this is what I thought about.

Do you remember, we were sitting there, by the water?
You put your arm around me for the first time
You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine.

Do you remember all the city lights on the water?
You saw me start to believe for the first time
You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine.

Oh, oh, oh

And I remember that fight
Two-thirty AM
As everything was slipping right out of our hands

I ran out crying and you followed me out into the street
Braced myself for the "Goodbye"
'cause that's all I've ever known
Then you took me by surprise
You said, "I'll never leave you alone."

You said, "I remember how we felt sitting by the water
And every time I look at you, it's like the first time
I fell in love with a careless man's careful daughter
She is the best thing that's ever been mine."

Hold on, make it last
Hold on, never turn back

You made a rebel of a careless man's careful daughter
You are the best thing that's ever been mine.
(Hold on) Do you believe it?
(Hold on) Gonna make it now.
(Hold on) I can see it,
(Yes, yes) I can see it now.
