What a strange day
For ones not lost in a bad way
Got tired, finished last place
How wonderful
What a strange day

Let's go-oh-oh, oh-oh-oh
To a place I know-oh-oh, oh-oh-oh
We'd be so-oh-oh, oh-oh-oh
Oh, let's go-oh-oh, oh-oh-oh oh

All that we need
You, me, leaves blowing off on the trees
And everything that we see
Will be so-oh-oh-oh, oh-oh

Let's go-oh-oh, oh-oh
To a place I know-oh-oh, oh-oh-oh
We'd be so-oh-oh, oh-oh-oh
Oh, let's go-oh-oh, oh-oh-oh oh

Wanna play so come out
Way up high, reaching down
Far from things that we know
Let's go down in the dirt
Use two hands will it work

So let's go-oh-oh, oh-oh
To a place I know-oh-oh, oh-oh-oh
We'd be so-oh-oh, oh-oh-oh
Oh, let's go-oh-oh, oh-oh-oh oh

Oh let's go-oh-oh, oh-oh
Oh let's go-oh-oh, oh-oh
We'd be so-oh-oh, oh-oh-oh
Oh, let's go-oh-oh, oh-oh-oh oh
Let's go
